The registration form is centered on a background image of a forest path. A purple callout bubble on the left contains text explaining that the system recognizes EA logins. The form fields are white with rounded corners and are set against a light green background. The 'Show password' button is a small purple pill-shaped button. The 'NEXT >' button is a larger green pill-shaped button.

The WALX portal will recognise your EA log in – no need to re register.... Just log in!

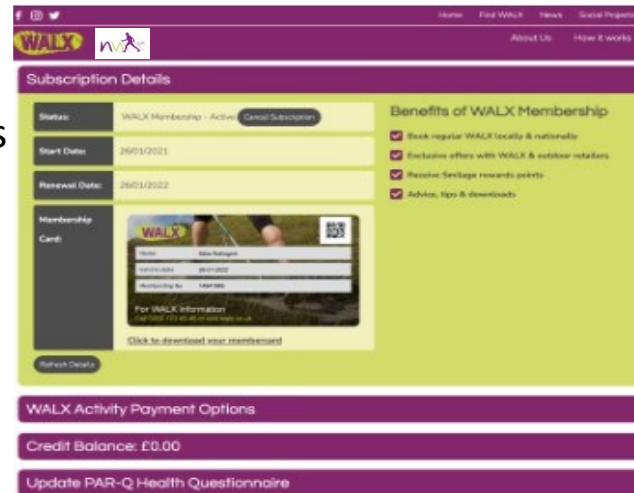

What you will need to do once in the portal

- Update your details if incorrect
- Check that your payment packages are correct
- **IMPORTANT Activate your WALX membership* (see next slides)**

OPTIONAL

- Update communication preferences etc so we can use texts and 'what's app' in future

A few things you need to know first

- In the past we admit that things were a tad clunky and it was easy to get confused between the Exercise Anywhere booking portal where you booked activities, how you chose to pay for them and whether you had a current MEMBERSHIP of Nordic walking UK (which provides you discounts in our store and with our amazing partners such as all major outdoor stores)
- Please remember that MEMBERSHIP in this presentation is NOT referring to those who pay monthly via DD or walk regularly.
- We are referring to those with a current MEMBERSHIP of Nordic walking UK which was often provided free after your induction and renewed annually thereafter.

Why is this important?

- At WALX, 'membership' will mean much more in the future as your digital card will enable you to access even more benefits as more significant partners begin work with WALX
- You will be able to see the benefits once you log in to the WALX portal with being added all the time
- We will also be introducing a 'SMILAGE' rewards scheme based on the activities you attend, the improvements you make to your health and fitness– and for supporting your local group of course!

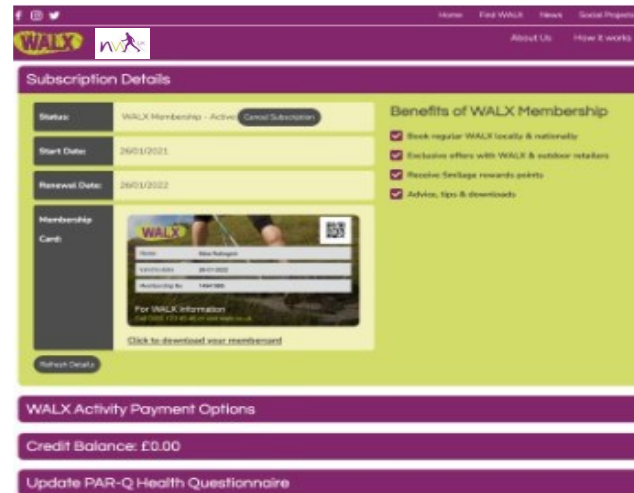

How to activate your WALX membership

- Because we want WALX users to enjoy everything in one place we do need those with Memberships of NWUK to **activate them on WALX**
- This to make things much smoother from now on and ensure payments for bookings, annual membership renewal and store discounts are all recognised by the portal
- We promise that this will be worth it once the WALX store goes live
- FYI – you can still use the original NWUK store for now.

If your Membership of NWUK is current

- WALX will know you are a Member but it needs you to **activate it** to ensure you are recognised in the WALX store
- To do this it will take a payment of £2.00 and refund it as a credit in your activity account!
- Renewal date will match the NWUK renewal date and will be automated as before

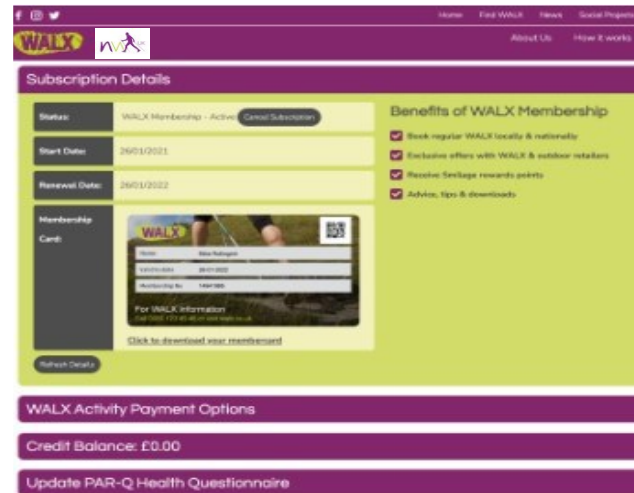

The screenshot displays the WALX website interface. At the top, there is a navigation bar with the WALX logo and 'nwuk' branding. Below this, the 'Subscription Details' section is visible, showing the status as 'WALX Membership - Active' with a 'Cancel Subscription' button. Key dates are listed: Start Date: 26/11/2021 and Renewal Date: 26/11/2022. A 'Membership Card' section shows a virtual card with the WALX logo and a QR code. To the right, the 'Benefits of WALX Membership' are listed with checkmarks: Stock register WALX locally & nationally, Exclusive offers with WALX & outdoor retailers, Receive Swagge rewards points, and Advice, tips & downloads. Below the subscription details, there are sections for 'WALX Activity Payment Options', 'Credit Balance: £0.00', and 'Update PAR-Q Health Questionnaire'.

If your membership has lapsed

- WALX will know that you previously had a 'FREE membership' but it has lapsed
- It will allow you to SAVE 50% in order to re join and gain all the benefits, store discounts and 'smilage' points in future
- This is only £7.76 and will save you at least 10% on that new set of paws, straps or even poles!

The screenshot displays the WALX website interface. At the top, there are navigation links for Home, Find WALX, News, and Social Projects, along with About Us and How it works. The main content area is titled 'Subscription Details' and shows the following information:

- Status:** WALX Membership - Active (with a 'Cancel Subscription' button)
- Start Date:** 26/11/2021
- Renewal Date:** 26/11/2022
- Membership Card:** A digital membership card for 'Miss Helen' with a photo and a QR code. Below the card, it says 'For WALX Information Contact 0114 274 0000' and 'Click to download your membership'.

To the right of the subscription details, there is a section titled 'Benefits of WALX Membership' with three checked items:

- Book regular WALX locally & nationally
- Exclusive offers with WALX & outdoor retailers
- Receive Swagge rewards points
- Advice, tips & downloads

Below the subscription details, there are three purple buttons: 'WALX Activity Payment Options', 'Credit Balance: £0.00', and 'Update PAR-Q Health Questionnaire'.

If you never redeemed the FREE 12 Months NWUK Membership with your passport.

- If you never claimed the free Membership of NWUK when you got your FREEDOM passport – you will have a live activation code that is still ‘valid’
- To join WALX you need to click JOIN and it will pick up the code
- You can access your FREE membership of WALX worth £12.95 but will still need to pay the £2.50 initial admin fee

The screenshot displays the WALX membership portal interface. At the top, there is a navigation bar with the WALX logo and links for Home, Find WALX, News, and Social Pages. Below this, the 'Subscription Details' section shows the following information:

- Status: WALX Membership - Active [Cancel Subscription](#)
- Start Date: 29/01/2021
- Renewal Date: 29/01/2022

Under the 'Membership Card' section, there is a QR code and a 'Refresh Details' button. To the right, the 'Benefits of WALX Membership' are listed with checkmarks:

- Book regular WALX locally & nationally
- Exclusive offers with WALX & outdoor retailers
- Receive Seelags rewards points
- Advice, tips & downloads

Below the subscription details, there are three sections:

- WALX Activity Payment Options
- Credit Balance: £0.00
- [Update PAR-Q Health Questionnaire](#)

And finally.....

We know some of you are not fans of change so even though we think these are definitely changes for the better, you will still be able to log in to 'Exercise Anywhere' and book activities as before.

However, your Instructor has embraced the new WALX concept and it will help them if you do take time to switch over now. (you will also be glad you did)
